

Celebrate your special Glens— Donate to the 2019 GITCA Trophy Fund!

**Time to get ready for
the GITCA National Specialty
in Blue Bell, PA
Sunday October 6th**

LAST YEAR'S TROPHIES WERE THE TALK OF THE SHOW! This year's will be as beautiful. Our wonderful challenge trophies will be on display for everyone to read the names of GITCA's past winners. Beautiful handmade rosettes will be awarded, pictured here are just a few of last year's ribbons! In addition, a hand made stained glass memento will be given to commemorate each win.

We are asking folks to contribute to a general trophy fund instead of donating for a specific trophy. Your generosity will not be unnoticed! There are three levels of donors: Gold for those who contribute \$100 or more; Silver for those who contribute \$50-\$99; and Bronze for those who contribute \$25-\$49.

Everyone who makes a donation will be listed in a full page ad in the Montgomery County Kennel Club catalog. In addition to your name, you may add a short tribute to a beloved Glen.

To be included in the catalog, donations must be received by **AUGUST 15, 2019**

Thank you in advance,
GITCA Trophy Committee

Good morning GITCA members:

On behalf of the GITCA National Specialty Committee I am writing to encourage you to honor one or more of your beloved Glens at this year's Specialty. A donation to the Trophy Fund honoring your dog will be printed in the show program as well as announced at the Awards Ceremony. It is a keepsake as well as a memory for our community of the wonderful dogs who are the foundation of our amazing breed in this country. For those who cannot attend the event, there will be a full-page listing of the honors in an upcoming issue of the *Glen Chronicles*. The deadline for contributions is **August 15, 2019** so that they can be published in the show program—payment is convenient—by check or by PayPal.

Please join with me and the other members of GITCA to celebrate the memory of Glens past, the pleasure of sharing our lives with the Glens of the present, and the hope for the future of this unique, spunky, and endlessly loving breed.

President, GITCA
